

# STYLE GUIDE

V1.0 (24 Feb 2017)  
N. Manaud, V. Galluzzi

This short style guide is intended for whoever might want to produce OpenPlanetary-branded flyers, posters, stickers, screen wallpapers, or graphics shared on the web and social media.

All assets are available from:  
<https://github.com/openplanetary/op-style-guide>

## Typeface

**Open Sans** is the basic font we use for text and headings (bold weight). You can use different variations of weight.

**Montserrat** is used capitalized for big title. It is also used for the OpenPlanetary logo (Open: light weight, Planetary: regular weight)

## Colors

**Dark** (blue)  
#303E4D

**Light** (blue)  
#6393C2

## Logos
